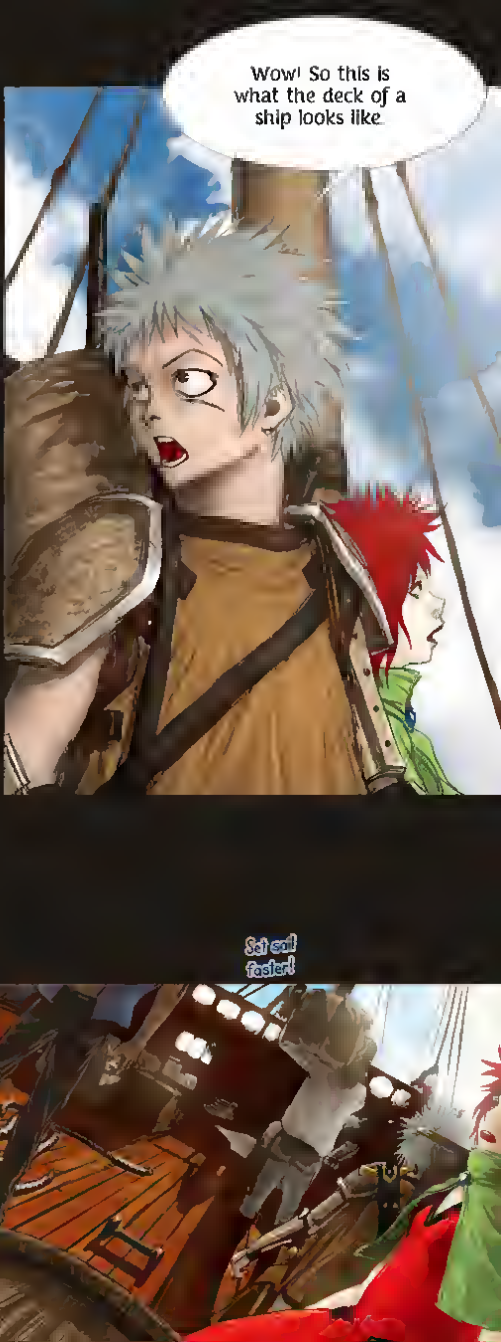
Bring it down a bit more!



Wow! So this is what the deck of a ship looks like.

Hmm...
What's this massive pillar doing here?

It's called a mast.

This ship is a wind-powered vessel.

The mast holds a ship's sails, which help in maneuvering the ship.

You thought you could catch me with your childish magic?

If I didn't get rid of approaching enemies, they would come back to haunt me later.

If you start thinking about how I deal with my enemies...
Then you'll be the one who gets hurt in the end.
Are you...

Planning to get in my way?

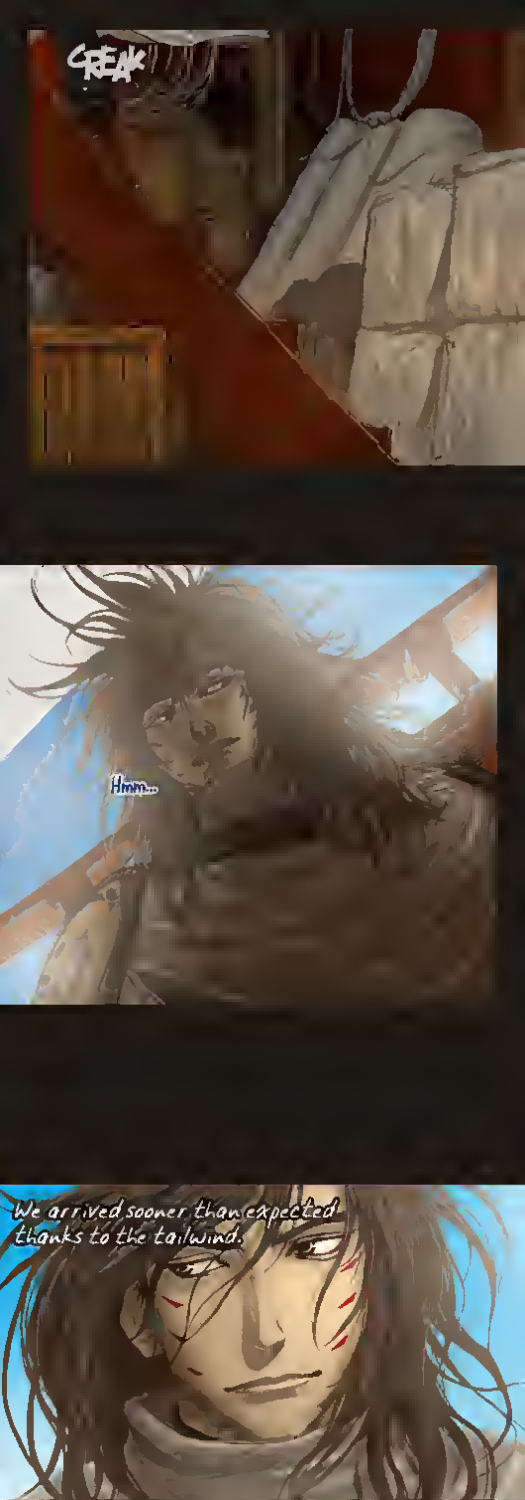
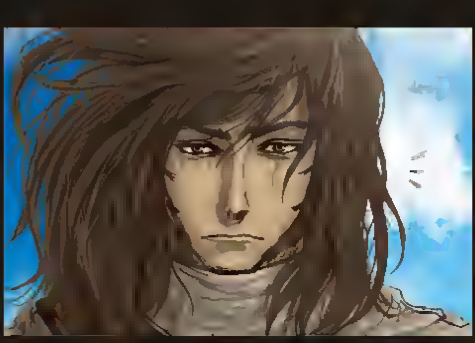
EPISODE 5 - MAGIC CITY (01)



CREAK
Hmm...
We arrived sooner than expected thanks to the tailwind.

The buildings are arranged like towers?
Wow, that castle is huge!
Well, I suppose I could use the extra time to show these hick kids around the city

There...

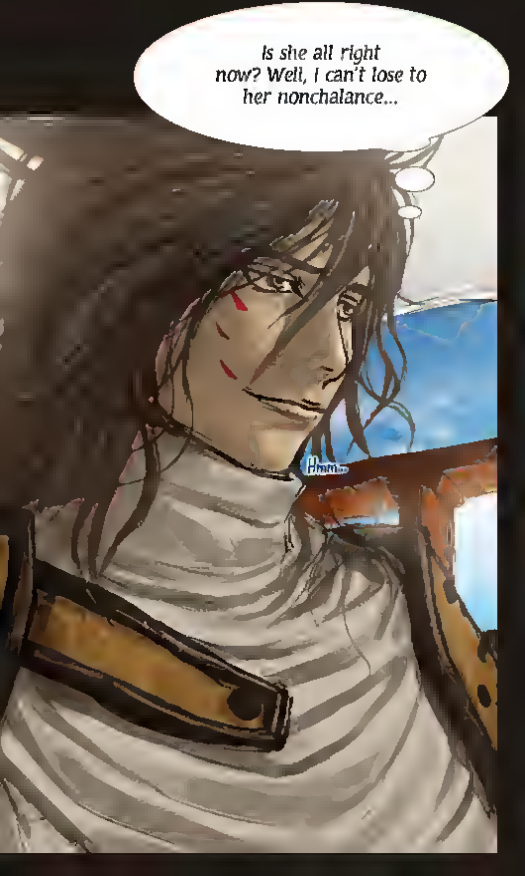


Eh...

Eeee

How'd they build a castle over there?
Yeah, it's really steep...

Let's go and see!



Is she all right now? Well, I can't lose to her nonchalance...
Hmm...

Since we have some time to spare. I'll show you kids around the city after we put away our luggage
REALLY?!

CLICKCLACK

THUD
OH YEAH! I'M FINALLY OFF THE SHIP!

SMIRK
PEACE

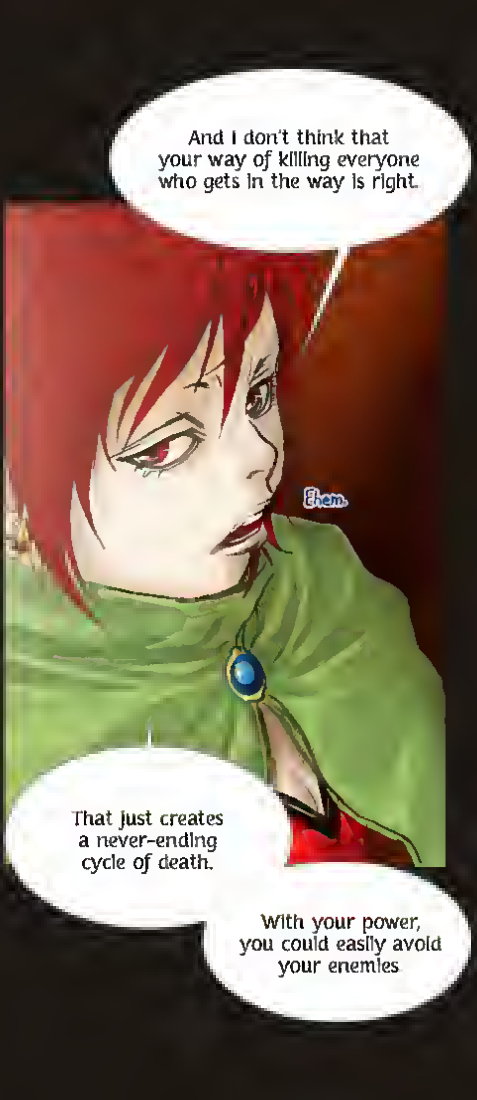
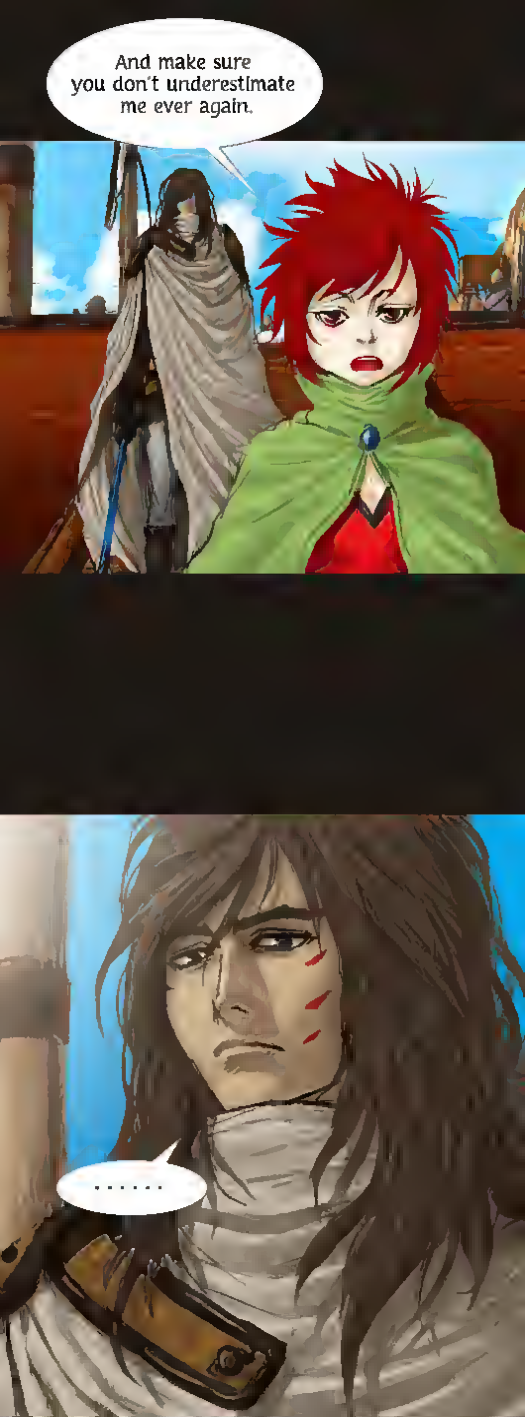
I'll beat him up!



And I don't think that your way of killing everyone who gets in the way is right.
Ehem.
That just creates a never-ending cycle of death.
With your power, you could easily avoid your enemies.



And make sure you don't underestimate me ever again.
.....

I'M SECOND!
First!
LEAP

This should be fun
Hoho

SMACK
PEACE

SCRATCH

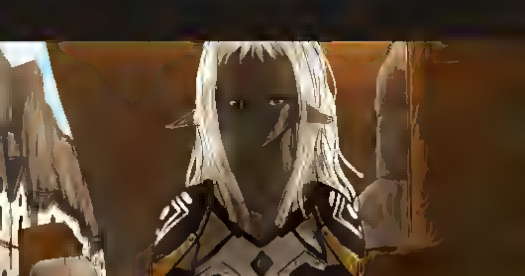
What's with that unbecoming cuteness?
Wow, you have no dignity.

Just let this one go.
All right, we'll pretend like it never happened if you do it again
Creep

Edermask...



I'll find out what your real intentions are this time.

But..
How long does he plan on keeping those kids with him?

He isn't actually traveling with them, is he?
It's not as if he is their father...

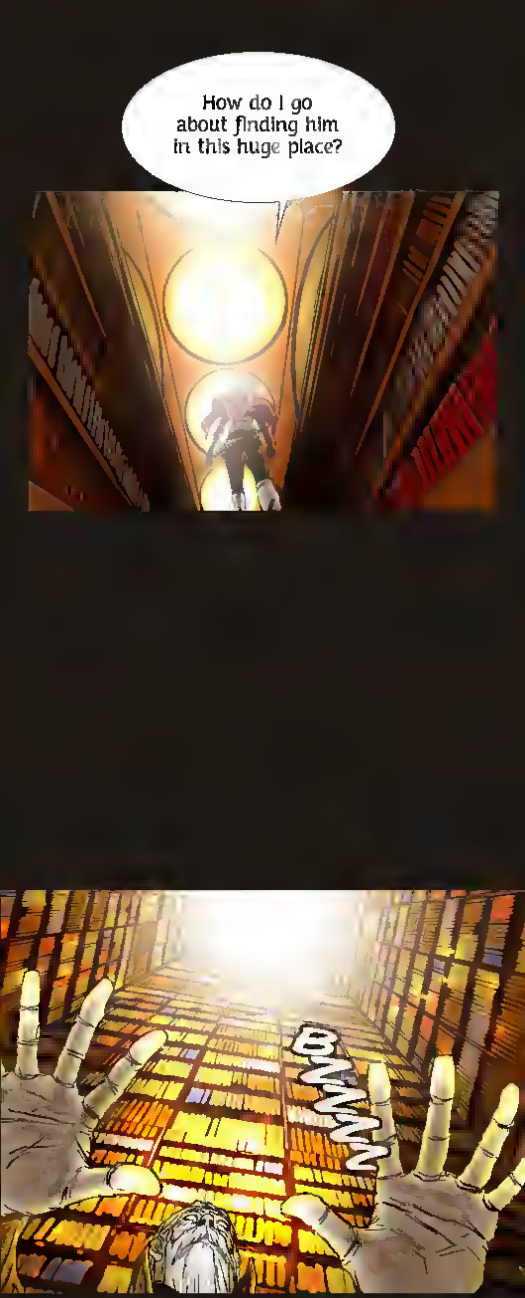
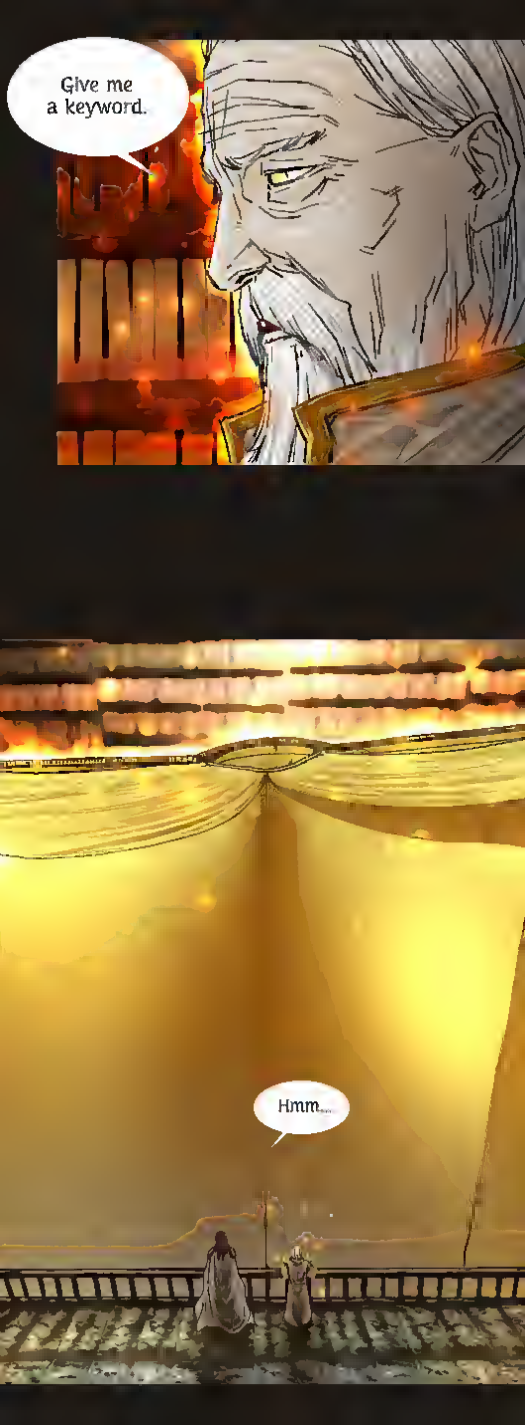
EPISODE 5 - MAGIC CITY (04)

Called the gateway to the world...
I guess it's no lie that it holds 80% of the world's books
I can see why Edermask came here
Anyway... Where did Edermask go?
CLICK



How do I go about finding him in this huge place?
BNNNN



Give me a keyword.
Hmm.....

I investigated everything in this world that had to do with immortality
But all I found was proof of this world's transient nature.
Other species like elves, whom I'd pinned my hopes on this time, were simply made that way from the start. They are not immortal in the same way I am.
.....

In that case...
I'll have to search for things beyond this world.

Hmm...
Another world...
Sounds good.
I'll see what
I can find.
